Summary: On February 17, 2005, Tony F. DiStefano, Chief Executive Officer, Arrival Communications Company, met with Karen Miller, advisor to Cmmr. Grueneich, in San Francisco. DiStefano requested that the Commission reconsider granting a partial waiver of the true-up in this proceeding, despite the lack of such a waiver in the proposed decision and the alternate decisions. DiStefano stated that Arrival supports there being no offset between the true-up for UNE within the scope of this proceeding, and contractual true-up provisions for DS1/DS3 loops contained in SBC's interconnections agreements (ICAs). DiStefano expressed support for the retroactive application of the permanent common/shared cost factor, once that factor is ordered in A04-03-013. DiStefano urged the Commission to oversee closely the true-up process and be prepared to intervene expeditiously in the event of any party's abuse of the ICA dispute resolution processes.

Summary: On February 22, 2005, Thomas J. MacBride, counsel for Alliance Group Services, Inc. (AGS), met with Carl Bemederfer, advisor to Cmmr. Kennedy, in San Francisco. If the existence of Commission jurisdiction were not to turn on the provision of retail service, MacBride opined, the Commission would be compelled to decide which entities arguable operating a telephone line (within the broad scope of Public Utilities Code Section 233) required certification and which did not.
